

Building Room Resolutions - Watford

- Resolutions: Comments to the proposed charter for the Building Room should be sent to Jan Karlshoej jan.karlshoej@gravicon.dk ASAP.
- Proposals to forming task or domain groups should be sent to jan.karlshoej@gravicon.dk
- All European chapters are encouraged to vote in favor of establishing European BIM standards through CEN before the deadline [7 April](#). A business plan have been devolved by CEN/BT/WG215.
- The Building Room should offer and seek influence to represent the industry's needs to be fulfilled in coming certification of IFC4 based products.
- The Building Room propose that buildingSMART starts to offer certification of BCF ver. 2 products in order to ensure a consistent quality and homogeneous support of features in BCF ver. 2.
