Regulatory Room Resolution

1. Ask ExCom to provide a space on the website for Regulatory Room (Korea volunteered for the content)
2. Ask chapters to nominate members to RegCom
3. Ask RegCom to establish an interest group for automated code checking
4. Ask RegCom to establish a project for e-submission common guidelines
5. Ask participants to submit potential project proposals before the next meeting
6. Continue to co-chair by Inhan Kim and Øivind Rooth until the next summit
7. Thanks to buildingSMART UK and BRE for their hospitality
